Energy Efficiency Rebates

Use Less. Conserve More.

As a not-for-profit electric co-op, our focus is on providing our members with safe and reliable electricity, not creating profits for investors. In fact, we encourage all members to use our energy efficiency rebate program and online efficiency tools to help decrease kilowatt-hour use. HEA's rebate program is a great way to start putting energy efficiency to work for you.

Residential & ENERGY STAR® Certified Rebates

- LED Bulbs
- Refrigerator / Freezer
- Washer / Dryer
- Dishwasher
- Electric Water Heaters
- Central Air Conditioning
- Heat Pump

Outdoor Power Equipment Rebates

Low Noise. No Gas. Go Electric.

Experience the benefits of making the switch from gas to electric powered outdoor power equipment: low noise, zero gas, zero emissions, and low maintenance.

Electric Outdoor Power Equipment Rebates

Mower, Snow Blower, Leaf Blower, Chainsaw, Pruner, Trimmer

2021 Rebate Product Guide

- Eligible rebates must be submitted within 120 days of purchase.
- Rebate amounts under \$25 will be issued as a credit on the Highline account. Rebate requests must include itemized payment receipts (including product model number) and ENERGY STAR® verification documentation.
